FROM CONCEPT TO DESIGN TO CONSTRUCTION TO CERTIFICATION. WE DELIVER STRONG RESULTS.

Dundee Rock is a 100% Indigenous owned business based in Darwin that provides a range of high quality services to the construction industry. The business offers painting and coatings, building renovations and maintenance, electrical, plumbing and landscaping services.

Dundee Rock has been operating in the Northern Territory for more than 15 years, working both locally and in remote communities, where their team's knowledge and understanding of Aboriginal issues is invaluable.

Owner/Director, Thomas Hutcheson has been committed to local Indigenous employment and training, and improving economic outcomes within Indigenous communities, for more than a decade.

OUR SERVICES

Dundee Rock is focussed upon quality long-term outcomes. We contract to government agencies, property developers, remote communities and home owners.

Based in Darwin, Tri-Odia is an Indigenous-owned and operated landscaping, horticulture and management and training business.

JAWOYN ASSOCIATION ABORIGINAL CORPORATION Building and Construction

Dundee Rock has a joint venture with Jawoyn Association Aboriginal Corporation – the representative body for the Jawoyn Aboriginal Traditional Owners. The JV relates to building and construction projects on Jawoyn traditional land, which stretches across 50,000 square kilometres.

KEY PERSONNEL

Thomas HUTCHESON – Owner/Director

Tom has more than 35 years' experience in the construction industry in the Northern Territory. He is a qualified painter who takes pride in the company delivering a first class job, on time and on budget. Tom's goal is to support the growth of Indigenous businesses through collaboration and capacity building with key contracts. Tom has extensive experience operating in remote areas, and has built a solid reputation based upon trust and respect.

Michael ATHANASIOU – Licenced Builder

Michael is a licenced builder with more than 30 years' experience in the construction industry, primarily as a project manager. He has been involved in projects with government agencies in areas such as health, education, police and housing. He also has extensive experience working in remote communities.

OUR ETHOS

At Dundee Rock, we are passionate about training and mentoring Indigenous people to achieve meaningful and sustainable jobs. We seek to improve the opportunities and economic outcomes available to Aboriginal and Islander? people through relevant training and development in the communities in which we operate, thereby leading to employment, social and cultural outcomes.

COMMITMENT TO SAFETY

Safety is our highest priority. We are extremely safety conscious and we recognise our moral and legal responsibility to provide a safe and healthy work environment for employees, contractors, customers and worksite visitors, as well as the local community. All of our qualified staff are trained in safe working procedures.
